Democratic State Ticket.

The State Sentinel says, the Democratic State Ticket is elected by 2,300 majority, and the full official returns will increase it. This vote is evidence that the majority of the people of Indiana sympathize with Democratic principles. The election of the State ticket is a great triumph. Four Democratic Judges of the Supreme Bench secured for six years, and the administration of the State Government is confided to Democratic officers for the next two.

The people of Indiana in this vote endorse and vindicate the State policy adopted by the Democracy. It is a tribute to the wisdom, to the conservatism, to the justness of Democratic measures, and to the integrity and ability with which the present judiciary and State officers have administered the trust reposed in them.

D—The Democrats of Martin county have made preparations for a grand National Democratic Barbecue, to be given at Dover Hill, on Friday, the 29th inst. They extend an invitation to the Democrats of Dubois and all the adjacent counties, to come up and join in an old fashioned jollification over their recent glorious victory.—Gov. Willard, Hons. Jesse D. Bright, Fitch, Niblack, Law and other distinguished Democrats are expected to be present and address the people.

A—EXTRA SESSION.—Gov. Willard has issued his proclamation, calling an extra session of the Legislature, to convene on the 20th of November. As the term of the old Legislature expired on the 13th inst. the new Legislature must be the one designated by the Governor's call.

D—Remember, those of you who have bad teeth, that Dr. Brenner will remain in town but a short time, and if you don't want to be in the fix of "poor Uncle Ned," now's the time to get them fixed.

D—The next elections to come off are Louisiana on the 1st of November; New York, New Jersey, Massachusetts, Illinois, and Michigan, on the 2d; Maryland on the 3d; Wisconsin on the 4th; and Delaware on the 9th of the same month. These States choose seventy-six members of Congress.

D—The two neighbors who "fell out" have got in again. Neither of them was injured.

ST. JOHNS, Oct. 21.
The steamship Pacific from Galway, on the 12th, has arrived.

The Paris Press publishes a full correspondence between the U. S. minister to Nicaragua and the foreign minister of Paraguay, touching M. Belly's designs. The former says no arrangement shall be negotiated contrary to the just rights of American citizens, and that a liberal policy, resulting from the transit treaty of November last, shall be maintained.

The Nicaraguan Minister replies that his Government wishes to maintain kind relations with the U. S. States, but contends that the transit treaty is of no value, because the route was not opened at the stipulated time.

The news is of no general interest.

THE GREAT WONDER

OF THE

Nineteenth Century.

DR. WOOD'S HAIR RESTORATIVE!

The St. Louis, (Mo.) Democrat says: Below, we publish a letter to Dr. Wood, of this city, from a gentleman in Maine, which speaks glowingly of the superior merits of his hair tonic. Such evidence must have its effect, when coming from a reliable source. It certifies as guarantees of truth, the Dr. needs no encomiums, nor useless puffery from the press:

BATH, Maine, Jan. 20, 1853.

Professor O. J. Wood & Co.:

GENTLEMEN: Having my attention called a few months since to the highly beneficial effects of your hair restorative, I was induced to make application of it upon my own hair, which had become quite gray, probably one third white; my whiskers were of some character. Some three months since I procured a bottle of your hair restorative, and used it. I soon found it was proving what I had wished. I used it about twice a week, of which I have used some. I can now certify to the world that the gray or white hair has totally disappeared, both on my head and face, and my hair has resumed its natural color, and I believe more soft and glossy than it has been before for twenty-five years. I am now sixty years old; my good wife at the age of fifty-two, has used it with the same effect.

The above notice I deem due to you for your valuable discovery. I am assured that whoever will rightly use, per directions, will not have occasion to contradict my statements. I am a citizen of this city and a resident here for the last fifteen years, and am known to nearly every one here and adjoining towns. Any use you may make of the above, with my name attached, just your service, as I wish to preserve the beauty of nature in others as well as myself. I am, truly yours,

A. C. RAYMOND.
